

## APPLICATION PROCESS

Applications are available from Discipleship Ministries or online at [www.WNMDKIDS.ORG](http://www.WNMDKIDS.ORG). Application deadline is May 15. Approved applicants will be notified in 7-10 days and Project Go! information packets will be mailed out.

## ADULT LEADERSHIP

Team leaders are veteran children's pastors who have ministry credentials with the Wisconsin/No. Michigan Assemblies of God. They are trained KidsQuest presenters and visit the ministry site to prepare for the trip and coordinate a ministry experience that will have lasting impact in the community and in the lives of those who participate. Team leaders are assisted by other adults who are approved team members and have experience working with children. Pastoral references are required and all adults agree to submit to a criminal background check.

## TEAM SCHEDULE

Training takes place at Camp Wilderness in Waupaca, WI July 17-19. Team members are responsible for travel to the training site. Ministry assignments are made and students are coached as they practice the roles, rehearsing the three-day program. On July 20 teams travel to Whitehall, WI. KidsQuest is presented on Thursday and Friday nights, concluding with a Saturday morning presentation on July 22. Final departure arrangements are set based on ministry site assignments.

LET'S  
GO!

## About Project Go 2017

### Ready For A Challenge?

If you love God and are excited to tell others about him, you'll find ways to do that every day—in your family, at school and at church. That's ministry!

Project Go! takes 5th & 6th grade students one step further in learning about ministry by involving them in a neighborhood kids outreach. Team members travel with sponsors to a new church location and present a dynamic three-day kids event, KidsQuest USA, involving clowns, skits, illusions, characters and games, all prepared and presented by the students themselves. The fun is infused with a clear presentation of God's love for kids and adults everywhere.

- Ready for a challenge?
- Ready to learn new things in a safe team environment?
- Ready to explore how God can use your gifts and talents to minister to others?

If so, you're ready for Project Go!

### Come Join Us for a week of Fun and a great missions adventure!

Our Main Mission is to see boys and girls experience the opportunity to be used by God in presenting the Good News of Jesus in a community. We do this by presenting a 3 day Kids Quest, USA outreach in partnership with a local church.
