Junior Bible Quiz

JBQ Facts

- Helps 2nd to 6th grade students learn Bible facts, scriptures and doctrine.
- A quiz team consists of a head coach and 2-8 eligible quizzers. Only 4 quizzers are allowed to quiz at the same time, so a roster of 4-6 is ideal.
- Eligibility is restricted to Christian students who are enrolled in grades 2-6 as of October, which begins the official year of competition.
- The coach will be permitted to have a maximum of 2 assistants during the match.
- Teams may be formed from AG or non-AG churches, Christian schools, home school groups or couple of churches combining students because they are not able to sponsor their own team.
- An organization may sponsor more than one team.

Place/Time for the JBQ Meets

Teams are grouped into leagues which meet on the first Saturday of the month in November, December, February and March. The season includes district finals after the last meet in March.

Is it similar to Teen Bible Quiz?

There are several important differences.

- The material does not change from year to year.
- It centers around the Bible Fact-Pak NLT, a carefully selected set of 576 questions covering the entire Bible.
- All quizzing is based on questions from the Bible Fact-Pak NLT or Bible Fact-Pak Study Guide.
- Refer to JBQ schedule for current question rotation.

Junior Bible Quiz Basics

JBQ Basics Facts

- Helps students from Kindergarten to 6th grade learn Bible facts, scripture and doctrine.
- Teaches kids to participate in a simple, competitive way and allows them opportunity to meet others from nearby churches.
- Prepares kids for participating in JBQ.

Place/Time for the JBQ Basics Meets

The first Saturday of the month in November, December and February. Meets are usually at the same church as the JBQ teams.

Material Studied

Approximately 150 questions per year from the Bible Fact-Pak NLT or Bible Fact-Pak Study Guide.

*Official Guidelines reference which questions are to be used

Advantages of Junior Bible Quiz Basics?

Material is simple enough for kids to learn.

- Only a 3 month season
- The more intense competition of JBQ levels of quizzing is not present.
- League trophies are given to the top teams and all quizzers get recognized at the end of the season.
- Ribbons are given to all quizzers with a 90% or better accuracy record. Individuals may receive awards even if their team does not win a trophy.
- Buzzer sets for quickness of response are used only during overtime periods.
- If kids are in the JBQ Basics for 2 years, they can enter the JBQ program knowing all of the 10-point questions.
